Junior Goalkeeper Academy

The Junior Goalkeeper Academy is designed for boys and girls entering grades 3-5 in the fall of 2018 who are developing players or first-time players. The experience will help to provide participants with an understanding and appreciation of proper goalkeeping skills and techniques. Time will be devoted to basic skills and concepts important to the younger player in a positive atmosphere. Under the direction of Jerry Hare and his staff, camp participants will learn the importance of proper preparation such as warm-up and stretching prior to participation as well as foundation skills and tactics. The Hare Goalkeeper Academy also stresses the importance of enjoying the game of soccer, even while learning. Campers will be able to showcase their new skills in a series of fun and challenging games!

Middle School Goalkeeper Academy

The Middle School Goalkeeper Academy is designed for a more serious player that is looking for a more challenging level of instruction. It is geared for goalkeepers who are entering grades 6-8 in the fall of 2018. Our camp program utilizes the latest methods in training and instruction. Our nationally-licensed coaching staff will expose the campers to various game environments using modern equipment and excellent facilities to help take their game to the next level of the development process. Each camper will be challenged in training sessions for individual skill development, as well as application of these skills in group tactics. All campers will be provided with instruction based on their individual needs and abilities. This is also an excellent camp to prepare them for the upcoming season.

College Prep Goalkeeper Academy

The College Prep Goalkeeper Academy is designed for high school players with college playing aspirations to prepare themselves for the upcoming season. It is for boys and girls entering 2018 fall grades 9-12 with unique opportunity to be trained by Jerry Hare, Director of Hare Goalkeeper Academy (HGA) and the Goalkeeper Coach for Westminster College Men's & Women's Soccer along with his staff of current and former college coaches and players.

The college coach in charge of each particular day personally designed each training session. The players will be given a clear understanding of what will be expected of them when they join the college ranks. The camp participants will also get a better understanding of what parts of their game need improvement to meet the college standard. Players who attend the HGA College Prep Academy will have a rare opportunity to impress college coaches in focused small-group training environment. During evening sessions, all players will compete in matches and competitions including Striker Wars, Goalie Wars, Shootout Competition - 35 Yards and Penalty Kick Shootout.

There will be lectures and question/answer session with the entire HGA College coaching staff. Topics to include: recruiting process, coaching style, playing styles, "making a college list", academics, scholarships, fitness, ODP, and "how to get noticed" are all on the agenda for the 2014 HGA College Prep Goalkeeper Camp!
